

# Group Engagement Menu

## Book Processing

**5-20 people**

This may include stickering, organizing, sorting, or boxing books for our various programs. Book processing is a good option for large groups who want a team building opportunity, as it creates an excellent environment for engaging in conversation with others.

## Seasonal & Special Tasks

**5-20 people**

Various programs call for specific materials and we need help prepping them! This may include assembling literacy kits, Ready for School bags, Book Babies notes, and more.

## Events *# of people varies*

Book Harvest hosts several small and large events per year. These include our Dream Big Book Drive on MLK Day, our Summer Block Party in July, and holiday-related events such as Book or Treat in October, I ♥ Books in February, and our Pastries with Parents series in May/June. Volunteers are needed in a variety of ways during these events.

## Host a Book Drive

**Unlimited #**

Host a book drive and engage your colleagues on your own time and on your own turf! Just confirm your timeline, spread the word, and bring the books to Book Harvest once your drive has ended. Book Harvest can provide social media templates, language to use, and even a donation bin!

Most volunteer activities take place at Book Harvest in Durham (2501 University Drive), with the exception of book drives, large annual events, and occasional special circumstances. Please contact Parker Nelson at [parker@bookharvest.org](mailto:parker@bookharvest.org) to discuss what works best for your team. We can't wait to partner with you!
